

Meeting new people from Achieve Australia

Easy Read

This is an Easy Read letter from Achieve Australia.

When you see the words 'we', it means Achieve Australia

You can ask someone to help you read this guide so you can ask questions if you want to.

Bold
Not bold

We have written some words in **bold**.

This means the letters are thicker and darker.

We explain what these words mean.

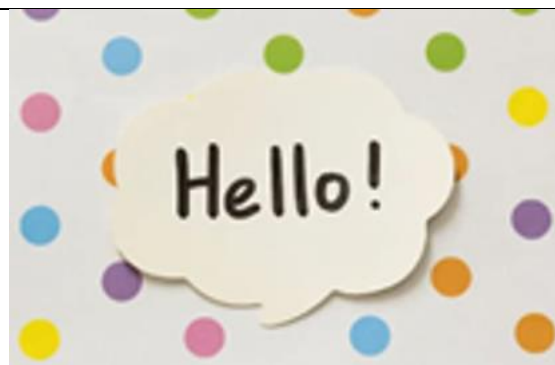

Achieve Australia will take over the services you enjoy in home and in **Como** and **Haberfield** centres.

The change will happen on 1 **July** **2025**.

The **support team you know** will keep helping you and will stay the same.

Friendly Achieve team members will visit soon to say hello.

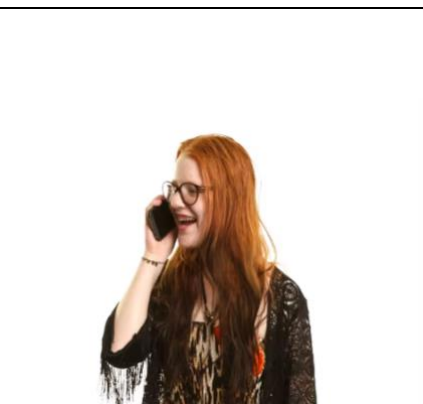

Achieve trains its support teams well so people live a good life.

More program choices may be offered in the future.

Your family or guardian knows about this change.

We will send more letters to keep you updated.

If you have questions, contact Bronte Rees
