

# News Update

**Hello everyone,**

As of **1 July 2025** the Haberfield and Como Centre-based Community Access and Participation Programs have officially moved from St Vincent de Paul NSW to **Achieve Australia**, and we are delighted to have you with us.

## **Familiar faces, same support**

You will still be greeted each day by the people you know – Jessica, Jacques, Le Kim, Marcelle, Paulo, Fiona, Eunice, Brian, Jay, Edison, Fabian, Liying, Anna and Emma at Haberfield. At Como, you'll continue to be supported by familiar faces like Jessica and Camila, along with the wider community you've come to know and trust.

Nothing about your daily routines, activities or meeting times is changing, and your usual contacts remain the first people to contact.

## **What's happening behind the scenes**

Achieve's systems now manage records, funding and other supports so everything continues to run smoothly in the background while you focus on the things that matter most.

## **Thank you for making this possible**

This smooth hand-over reflects the goodwill of **42** participants and their families, the dedication of **16** staff members, and the generous cooperation of the St Vincent de Paul NSW community. Your confidence and support have set us up for a strong start together.

At **Achieve Australia** we partner with people with disability to create lives filled with choice, independence and inclusion. We look forward to sharing that journey with you.

If you have any questions, please contact **Bronte Rees** – [0429 944 155](tel:0429944155) | [svdptransition@achieveaustralia.org.au](mailto:svdptransition@achieveaustralia.org.au). We now have new dedicated phone numbers for each location:

Haberfield: [0420 916 448](tel:0420916448)

Como: [0420 914 506](tel:0420914506)

Yours faithfully,

Jo-Anne Hewitt

Chief Executive Officer, Achieve Australia
