

News Update

Dear team,

On **1 July 2025**, **16** colleagues from Haberfield and Como officially joined **Achieve Australia** alongside a number of volunteers at Como. Your professionalism and care ensured every participant will continue to receive the support they rely on – thank you.

Looking back at our journey

- Early information sessions sparked thoughtful questions and clear planning
- One-on-one interviews placed each team member in the right role
- Our 24 June induction brought history, systems and values together for a strong start.

Key Team Members

Through the course of the transition, you will have met some of the team and we are eager for you to get to know some of the other leaders soon:

- Kiran Lodhia, Service Manager and Ainsley Carpenter, General Manager, Operations look after our Community and Lifestyle Programs.
- Blessing Mudzingwa, Service Manager, looks after Community Participation and Rob Price, General Manager, Operations is transitioning into a role that will include Community Participation.

Next steps

Team meetings shortly after transition will support new staff to meet the team and learn how to navigate our intranet (Achieve Central) and the talent management system (TMS).

If anything feels unclear, please contact **Bronte Rees** – [0429 944 155](tel:0429944155) | svdptransition@achieveaustralia.org.au at any time.

Thank you for bringing your talent and heart to Achieve. We're excited for what we will accomplish together.

Yours faithfully,

Jo-Anne Hewitt

Chief Executive Officer, Achieve Australia
